

Sign-up for Spring Spearing / Netting

RMD will be using the same plan for distributing permits in 2018 as we did last year. First thing in the morning, RMD staff will be sending out a mass email to all individuals that register for spearing ahead of time ([register using this link](#)). This daily email will identify the lakes and number of permits available for that night. Band members that want to be included in the daily drawing can either respond to the email or call in to the RMD office (218-878-7155 or on weekends at 218-721-8317) by NLT **11:00AM**.

Band members that do not have email may still phone in on a daily basis to find out which lakes are open, and if interested, may request to be in the daily drawings. RMD staff will have a daily drawing to distribute available permits to all of those that can participate. RMD staff will notify the winners daily by **1:00PM**. If you don't hear from staff by 1:00PM, you were not drawn for that night.

RMD will not be keeping a waiting list for the next evening's activities. Winners can either pick up their permit at the RMD office during regular business hours, or at the boat landing. Conservation Officers will have a list of all Band members that have been issued permits for the evening.
