Gichi Manidoo Giizis traditional powwow

The Thirteen Moons Fond du Lac Tribal College Extension Program is proud to host the Gichi Manidoo Giizis traditional powwow. The mission of the Gichi Manidoo Giizis traditional powwow is to bring together community members and federal, tribal, and state organizations to learn from one another about how we take care of the land and community.

Representatives from organizations will be available to answer questions and provide information on sustainable agriculture, natural resources programs for land owners, and education and career opportunities through college and university programs. In addition, those representatives will learn from community member's the traditions of the Anishinaabe culture, language and best practices of taking care of the land and community. Hope to see you there. Gigawaabimin.
