

**Fond du Lac Physical Medicine
Chiropractic services (MNAW and CAIR)
will be resuming patient care
with limited scheduling**

Due to multiple factors we will be prioritizing acute care and urgent care patients, at this time. We are currently scheduling on a case-by-case basis. We are sorry if this is an inconvenience and hope to be back to our normal work flow as soon as deemed safe.

Your temperature will be taken at the entrance of the building and you will be asked to re-schedule your visit if your temperature is greater than or equal to 100 degrees Fahrenheit.

We ask that you come to your appointment alone, unless a parent or guardian is necessary.

A mask is required to be worn throughout the entire appointment.

We are adjusting appointment times to accommodate for social distancing.

We will be frequently disinfecting physical medicine surfaces.

Please be mindful of keeping your appointment as the waiting list is long and if your appointment is missed you may have to wait longer to get a new appointment. If you must cancel, please give as much notice as possible.

We look forward to seeing you!

Thanks!
