

# **Model Food Code Free Manager and Regulator Training**

## **Fond Du Lac Community**

Please join us for GLIFWC's Traditional Model Food Code's Food Manager and Regulator Training! It's a free 8 hour virtual training for food service managers, sanitarians, regulators, legal personnel, and interested community members.

**Mondays 2-4 pm  
September 14, 21, 28, & 10/5**

[Click here to register](#)

8 hour training to include:  
Traditional Food HACCP plans,  
Traditional Model Food Code and more!  
**Attendees who complete ALL 4 sessions qualify  
for Certificate of Completion requirements.**
