ironworker
sheetmetal worker
operating engineer

*Do you like working with your hands?
Are you the one who fixes things around the house?
Do you want a well-paid, life-long career in the construction trade?*

**Explore careers in the building and construction trades
April 1 - May 17 * Mon-Thurs * 8:00 am - 1:00 pm**

In this 7-week program, you'll gain hands-on experience, tour apprenticeship training facilities, and learn about careers in the construction trades.

**Women and young adults (18-24) encouraged to apply.
Contact SOAR Career Solutions, 218-722-3126**

Eligibility Requirements: Participants must have a driver's license, high school diploma/GED, and be physically able to perform construction work.

This program is 36% funded through the Minnesota Department of Labor and Industry by a \$3.3 million grant from the U.S. Department of Labor and Industry. Also partially funded by the Minnesota Department of Employment and Economic Development (DEED).
