

Why Are Community Alerts Important?

Fond du Lac Band of Lake Superior Chippewa

What is Fond du Lac Emergency Alert System Powered by Everbridge?

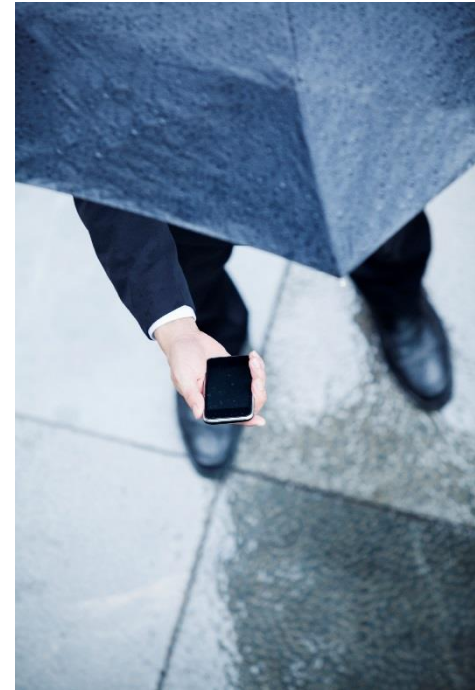

Fond du Lac Reservation will use **Fond du Lac Emergency Alert System** powered by Everbridge to make sure you know about public safety issues and events.

How Does the System Work?

FDL Emergency Alert System powered by Everbridge sends a message through your primary contact path. If you don't confirm receipt of the message, the system will try to reach your second contact path and continues trying to reach you until you confirm receipt.

Severe Weather Example:

1. Severe weather is rapidly approaching.
2. FDL Emergency Alert System is used to inform Community Members.
3. System contacts thousands of residents instantly by phone, fax, email, SMS, push notification and more.
4. Recipients receive instructions for safety precautions and evacuation.

How Are Alerts Sent?

- **Receive alerts via:**

- + Home, Cell, or Business Phone
- + Email
- + Hearing Impaired Receiving Devices
- + Push Notifications
