

To comply with the tie breaking procedure required by the MCT Election Ordinance Sec 1.1(B)  
The Fond du Lac General Election Board will (if needed) use the following method for the upcoming April  
3, 2018 Primary Election:

The two candidates tied for second place will have their names written onto 5 identical business cards  
each. The 10 identical unfolded business cards will be placed in a coffee can and mixed. A member of  
the public present that is not an immediate family member of the candidates will be selected to draw  
the winning candidate's name from the can. The name drawn will advance to the General Election.
