General election during COVID-19

Unfortunately, the COVID-19 pandemic will still be with us when the Minnesota Chippewa Tribe general election is held on Aug. 18. In order to reduce traffic at the polls, Band members are encouraged to vote by absentee ballot or to vote early at the Election Office in the District I Cloquet Community Center. The Election Office will be

open during regular business hours beginning Aug. 10-14, and then election day, Tuesday Aug. 18.

Polling places in all districts (Cloquet, Sawyer, Brookston) will be open from 8 a.m. to 8 p.m. on Election Day.

Polling places are community centers in Districts I (Cloquet), II (Sawyer), and III (Brookston).

Beginning on Aug. 10 through Aug. 14, Election staff will be in the election office at the District I Community Center Monday through Friday from 8 a.m. until 4:30 p.m. You can stop by to vote early!

If you do need to vote at the polling place on Aug. 18, please continue to practice social distancing, wear a mask, wash your hands, and use

hand sanitizer. There will be COVID Screening in place and there will be an option for curbside voting at each district site.

The count will take place at the Cloquet Community Center. Again we will be only allowing 1 candidate and or representative to be present during the count. This process will be available for live viewing on

the Fond du Lac Reservation Facebook page.

If you have questions or would like an absentee ballot request form, please call Naomi Northrup at (218) 409-4673 or (218) 878-2662, or email naominorthrup@fdlrez.com. You can also use the form that is available on the Fond du Lac Reservation website.

Mask Monday

Another Mask Monday is here! This week we are highlighting the Fond du Lac Information Technology Department. As the IT department fights against software viruses they also wear masks to slow the spread of the CoronaVIRUS. See what we did there?

On a serious note, we encourage everyone to wear a mask when you are out in public or when social distancing is not possible.
