

# BIMAAJI'IDIWIN FDLTCC EXTENSION PROGRAM

## FOND DU LAC AANDANJIGEWIN

### LOCAL FOODS PURCHASING ASSISTANCE

### PROGRAM LISTENING AND FEEDBACK SESSION

The Aandanjigewin Fond du Lac Local Foods Purchasing Assistance Program (LFPA) is a cooperative agreement between the Fond du Lac Band of Lake Superior Chippewa and the United States Department of Agriculture Marketing Service. Aandanjigewin in Ojibwemowin means "to change the way we eat".

This program intends to support community members in restoring traditional foods into our diets. The LFPA is a unique opportunity for tribal nations to not only reduce overall food insecurity, but also to promote nutritious, culturally important traditional foods not commonly found in food distribution programs or grocery stores.

**We hope you can join us to give feedback on our upcoming application process. This meeting is for gardeners, harvesters, producers, and farmers interested in selling their fresh produce, meats, dairy, and minimally processed products.**
